

48/6415 Flower Recipe Holder Craft Kit

1. Place the Styrofoam into the flowerpot. Remove the adhesive backing and adhere the felt grass to the inside of the flowerpot.
2. Adhere the foam button to the flower middle or foam flower as shown.
3. Adhere the foam flower middle to the foam polka dot flower. Adhere the polka dot flower to the flower backing. Adhere the flower backing to the rounded end of the green craft stick.
4. Adhere the green clip to the back of the green craft stick making sure the clipping end is pointing up.
5. Adhere the green satin bow to the green craft stick. Carefully poke the pointed end of the green craft stick into the Styrofoam in the flowerpot.
